

April 2018

Robeson Lutheran Preschool

# Spring Newsletter

Dear Parents,

I can hardly believe it is the middle of April already; this year is flying by so quickly. The month of March was a very busy one for all our classes with the arrival of spring and Easter. Now we just need Mother Nature to catch up and bring some spring weather our way so we can go out on the playground. We all started March celebrating Dr. Seuss's birthday and some of us enjoyed Green Eggs & Ham. A visit for St. Patty's day with some bagpipe music and mischievous leprechauns, real bunnies to snuggle, Miss Dori reading her book, "The Easter Bunny Brothers" and egg hunts rounded out the month of March. April has been a whirlwind of activity, we celebrated the 100<sup>th</sup> Day in Pre-K, had Daddy's visit in 3s & 4's and Community Helpers came to Pre-K. We are looking forward to the Recycling Truck visiting, our trip to kindergarten and much, much more...

Please be sure to check the dates listed in this newsletter and on your class calendars because there is a lot happening from here through the end of the school year. Thank you for all your support!

Happy Spring!  
Mrs. Julia Bond

# Save the Dates

- 22 - Last day for 3's
- 23 - End of year celebration for returning 4's
- 24 - End of year celebration for returning 3's

### Ice Cream Social & Open House:

We will be having a special Ice Cream Social & Open House on May 18<sup>th</sup> from 6:30-8. We hope you and your families will come and join the teachers in some fun before the school year is out. More information will be sent home in the upcoming weeks, but make sure you save the date!

### Important Registration Information:

If you have registered a child for preschool next year, please be sure you have received your **Medical Forms Package**. It will be necessary for these forms to be handed in by the time your child starts preschool next year. If you have them completed, you may hand them in early. If you haven't received a packet, please stop by the office to get one.

If you know of anyone looking for a preschool, please spread the word of how great our school is. We'd love to give them a tour!

### Footwear

In hopes that the warm weather will finally arrive, please remember not to send your children to school in flip flops, Crocs or sandals with the back out. These shoes can be a safety issue in the classroom and especially when we go outside to the playground.

# PEP - Preschool Enrichment Program

Our PEP program continues to run on Monday & Wednesday every week with an additional special Tuesday PEP each month. We would love to have more children attend in April & May. If you have never tried it or are not familiar with PEP here is some information about it. The children who attend regularly love it!

Children attending the PEP program are brought from their regular class to the PEP classroom directly after dismissal. There they will enjoy their packed lunch with friends and then continue with the many fun activities planned for that day. PEP runs Monday & Wednesday with special Tuesday's this year. Pickup times are 2:00. Any child in the 3's class and older are invited to attend. The cost is dependant on which morning class your child is enrolled in. See the monthly PEP calendar for more information on the theme for each day.

# Summer Camp

**Week 1: Weird Science** Tues. May 29 - Fri. June 1

**Week 2: Fun & Fit** Mon. June 4 - Thurs. June 7

Camp is offered to all children ages 3-6.

Children must be potty trained to attend.

Price: \$80 per week, Hours: 9-12

Applications are available at the preschool office.

## News From Robeson Lutheran Church
