

Robeson Lutheran Preschool 2021-2022

Our program is a part of the ministry of the Robeson Lutheran Church with the goal of providing a quality program in which each child can grow emotionally, socially, developmentally and intellectually and spiritually. Our teachers will encourage this growth in a Christian context providing your child with consistent support and guidance.

Our preschool program is designed to foster a child's overall development in the following areas: social awareness, emotional independence, fine motor skills, gross motor skills, language development and cognitive development. We introduce pre-kindergarten academic skills in a fun and age-appropriate way to expand those developmental skills necessary for growth in these areas. We also focus on developing fine motor skills that are needed for pre-writing activities. Robeson Lutheran Preschool has incorporated the Handwriting With Out Tears program "Get Ready for School", a researched based program that uses a developmental approach.

Research has shown that school readiness is much more than reading readiness. It encompasses the whole child and is concerned equally with social, emotional, and physical development as well as intellectual development. Play equals learning. We therefore have based our curriculum on a child-directed approach, which in turn strengthens a child's self-image. In the child-centered program, the child's abilities must first be determined. In identifying these skill levels, a teacher can choose classroom activities in order to create a successful atmosphere for each child. Promoting a positive self-image of their learning achievements, in turn creates a positive and joyful environment for all.

Enrollment:

Our classroom ratios are as follows:

3-year-old classes: 12-14 children- 1 teacher; 1 teacher assistant

4-year-old classes: 12-14 children- 1 teacher; 1 teacher assistant

Pre-K class: 14-16 children – 1 teacher; 1 teacher assistant

Toddler class: 8-10 children - 1 teacher, 1 teacher assistant

Hours of Operation:

AM Classes - 9:00 -12:00, 9:15 -12:15, 9:30 – 11:30

Office Hours - Monday through Thursday 9:00 – 2:00 PM and Friday 9:00-12:00

Phone: 610-856-7613, email: preschool610@dejazzd.com

Adoption of a Racially Non-Discriminatory Policy:

Robeson Lutheran Preschool admits students of any race, color, national and ethnic origin to all the rights, privileges, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national or ethnic origin, handicap in the administration of its educational or admissions policies, and other school-administered programs.

Preschool Advisory Board:

Our school is governed by a volunteer Advisory Board made up of church members and interested parents. This Board meets at least four times yearly to set preschool policy and establish guidelines, and to address all other pertinent concerns. All admission forms must be fully completed and submitted by parents according to established deadlines. These documents are required to determine whether Robeson Lutheran Preschool is appropriate for meeting the needs of your child. If it is determined by the Preschool Director that a concern exists regarding the care of your child, or the safety of other children enrolled in the Preschool, an Emergency Board Meeting can be held, where a quorum vote will determine further action to be taken by the Board.

Tuition:

Tuition payments are due by the first of each month. A late charge of \$20.00 will be added if payment is not received **BY THE 1ST OF THE MONTH.** Coupon payment books are available upon request from the preschool office. Any payment received after the due date should include the late fee. If a check is returned for insufficient funds, you will be notified by the director and payment is due immediately along with any bank service fees.

NONPAYMENT POLICY

Monthly tuition that is not paid by the 15th of the month is considered a non-payment. The director will contact the parent and if immediate payment can't be made, the student will not be permitted to return to school until which time all tuition is up to date. Extreme hardships will be considered on a case-by-case basis. The director will bring these cases to the Preschool Advisory Board.

EXCEPTIONS

***** WHEN THE 1ST OF THE MONTH FALLS ON A DAY WHEN THERE IS NO SCHOOL (HOLIDAYS, SNOW DAYS, WEEKENDS, ETC.) PAYMENT WILL BE ACCEPTED YOUR FIRST SCHOOL DAY BACK WITHOUT LATE FEE. PLEASE CALL IF YOU HAVE ANY PROBLEMS.**

Payment should be mailed or brought to:
Robeson Lutheran Preschool
3520 Plow Road
Mohnton, PA 19540

Checks made payable to: Robeson Lutheran Preschool

Tuition for 2021-2022 is as follows:

Toddler class (2 day) - \$116 per month
3 year old class (2 day) - \$168.00 per month
4 year old class (3 day) - \$ 252.00 per month
Pre-K class (4 day) - \$336.00 per month

***No adjustments or reduction of fees will be made for absences, snow days, holidays, vacations or in-service days. Fees are computed on the annual cost of operating the school. Please keep in mind the school year and your commitment are for the full four months: September through May.

School Closings:

In case of inclement weather or emergency closing, we ask that parents watch the local news stations for announcements. You can also hear it on WEEU 850 AM and WRFY 102.5 FM radio. Updates will be posted on the preschool Facebook page and Bloomz also.

Robeson Lutheran Preschool will follow the **Twin Valley School District** for snow and weather-related closings; if Twin Valley is closed, then **ALL** classes for the preschool are closed. If Twin Valley has a delay, then all classes will begin **ONE** hour late and dismissal will be one hour later than normal. If there is an early dismissal or cancellation of afternoon classes, we will contact you.

Our snow make ups will be determined based on the severity of the winter and at the discretion of the Director and Advisory Board.

Potty Training:

Children must be potty trained to enter the 3-year-old class. Children entering the Toddler program do not have to be trained. While the teachers are happy to work with you on taking children to use the bathroom, we are asking that your child is able to **verbally request** use of the bathroom, and not have it be teacher initiated. If your child is not **independently requesting** to use the bathroom, a pull-up or plastic liner needs to be used.

Snacks:

Due to the severe food allergies, we have seen over the past few years we are asking each parent to provide a snack and drink for their own child rather than the whole class. We still recommend a nutritious snack. Your child's teacher may be consulted for suggestions and birthdays. If there is a student with a severe allergy in your child's class, you will be notified by the teacher if the classroom will be peanut/nut free.

Safety:

Clothing:

Please dress your child in practical clothing that allows for freedom of movement and is appropriate for the weather. Your child will be involved in a variety of activities including: painting, outdoor play, sand, weather, and other sensory activities. Our playground is used as an extension of the preschool, and daily programs are conducted outside whenever weather permits.

Sandals and flip-flops are not appropriate for preschool play and make it difficult for your child to participate in some activities.

PLEASE, CLEARLY MARK ALL OUTER CLOTHING SUCH AS COATS, BOOTS, HATS, ETC. Each child will need a regular-sized book bag (PLEASE PLACE NAME INSIDE BOOKBAG) brought to school each day for papers, snack, change of clothing, extra masks, etc. We request that you provide a change of clothing in a Ziploc bag, labeled with your child's name in the event of an accident or spill.

Injuries

Safety is a major concern in child care and so safety inspections are completed inside and outside the preschool in order to prevent injuries. First aid will be administered by a trained caregiver in the event that your child sustains a minor injury (e.g., scraped knee). You will receive an incident report outlining the incident and course of action taken. If the injury produces any type of swelling or needs medical attention, you will be contacted immediately. Each classroom is equipped with a first aid kit.

Biting

Biting is a normal stage of development that is common among toddlers- and sometimes even among preschoolers. It is something that most young children will try at least once.

When biting happens, our response will be to care for and help the child who was bitten and to help the biter to learn a more appropriate behavior. Our focus will not be on punishment for biting, but effective behaviors that address the specific reason for biting.

Notes will be written to the family of the child who was bitten and the biter's family. We will work together with the families of each to keep them informed and to develop strategies for change.

Guidance/Behavior

Thoughtful direction and planning ahead are used to prevent problems and encourage appropriate behavior. Communicating consistent, clear rules and involving children in problem solving help children develop their ability to become self-disciplined. We encourage children to be fair, to be respectful of other people, of property, and to learn to understand the results of their actions. We will not tolerate hostile or aggressive behavior. If this occurs, we reserve the right to remove your child from our care.

Child Custody

Without a court document, both parents/guardians have equal rights to custody. We are legally bound to respect the wishes of the parent/guardian with legal custody based on a certified copy of the most recent court order or court-ordered visitation schedule. We will not accept the responsibility of deciding which parent/guardian has legal custody where there is no court documentation.

Bullying

The Robeson Lutheran Preschool is dedicated to providing a safe and positive learning environment for its preschool students. Bullying can interfere with the learning process and present a problem with the emotional and learning development of students at any age. Therefore, Robeson Lutheran Preschool prohibits all forms of bullying by its students, staff and parents/guardians.

The school's policy is based upon Pennsylvania's current law referring to bullying. Our policy will be posted in the director's office. The policy will be reviewed as needed.

- It is the responsibility of students, parents/guardians and families to adhere to this policy and report bullying behaviors to the director.
- It is the responsibility of employees to take appropriate steps to intervene, including reporting bullying to the director.
- Each preschool student shall be expected to learn to respect the right of others to ensure a positive atmosphere that is free from bullying.

The Director and Robeson Lutheran Preschool Board are directed to investigate reports of bullying brought to their attention by preschool students, parents/guardians and school employees. Any investigation of a report may include meetings with students, parents/guardians or employees. This will also include a review of student records and other reasonable efforts to understand the facts surrounding the reported incident. It is at the discretion of Director/Board to remove students from the school for bullying.

Robeson Lutheran preschool will respect the privacy of all parties involved in a report of bullying and prohibits any retaliatory behavior directed against complainants, victims, witnesses and /or other individuals who participate in the investigation of allegations of bullying. Retaliatory behavior can result in the removal of the student from the school

Fire Drill Procedure

UPSTAIRS CLASSROOMS:

Teachers will exit with children out through the main doors, and proceed to the grassy area in front of the church.

DOWNSTAIRS CLASSROOMS:

Teachers will exit with children out through the back door, and proceed right to the grassy area past the dumpsters.

Teachers must bring with them:

Keys, cell phone, medical kit/bag, student class list

*Be sure to turn off lights and close door after all exit classroom.

*Send message to director that all students are out of building. *Teachers will re-enter building with children after receiving

“all-clear” message from director.

Lock-Down Procedure

Teachers will keep children inside classroom with door locked.
Keep routine normal, with exception of not going to gym or outside on playground.

Dismissal:

Students will sit on benches in **church** lobby. Teachers will walk each student to front door, and director will bring child outside to parent in car.

Visitation:

We are not allowing parents and outside visitors into the building at this time for safety reasons.

Newsletters:

Newsletters are sent home several times a year to all parents by way of e-mail. If you are not able to open your e-mail or would like a hard copy please let the office know. They provide information on classroom activities, scheduled events, special celebrations, and any news of interest for parents.
Please read!!!

Daily Schedule:

Our daily schedule is flexible depending upon the day's theme and activities. Each day will include free play and exploring interest centers within the room, sharing news and daily planning, group circle time, art and craft activities, snack time, music and movement, playground (weather permitting), and story time.

Arrival and Dismissal:

ALL CLASSES WILL USE THE FRONT ENTRANCE ONLY TO ENTER DAILY. Classes will operate on a staggered start and end time, so please make every effort to arrive in a timely manner.

Arrival- Please enter the upper parking lot (on Plow Road) and form a line with the first car under the canopy. We will meet you at your car. Please perform the daily health screen prior to arriving at school and keep your child home if they are ill. We will walk your child into the building to their classroom upon arrival. Classes will begin at staggered times so we ask that you arrive on time to ensure a smooth arrival process.

Dismissal- Classes dismiss at various times and we ask that you arrive for your child on time so that we can maintain an effective program. Dismissal will be the same as arrival. Form a line beginning under the canopy in the parking lot (on Plow Road). We will bring your child directly to you. Once you have buckled your child into their car seat, exit the parking lot near the playground. If your child will be picked up consistently by someone other than a parent, we ask that you notify us in writing. For occasional driving changes, simply email or call the preschool if the person is not listed as an emergency contact.

Authorized & Unauthorized Pick-up

Your child will only be released to you or those persons you have listed as Emergency and Release Contacts. If you want a person who is not identified as an Emergency and Release Contact to pick-up your child, you must notify us in advance, in writing or by phone. Your child will not be released without prior authorization. The person picking up your child will be required to show a picture ID as verification. It is expected that they will have the appropriate equipment to transport the child in accordance to state law. Please notify your pick-up person of our policy.

Right to Refuse Child Release

We may refuse to release children if we have reasonable cause to suspect that any person picking up a child is under the influence of drugs or alcohol, or is physically or emotionally impaired in any way that may endanger the child. To protect your child, we may request that another adult listed as an Emergency and Release contact pick-up the child.

Health Information

We require several forms regarding your child's health to be returned prior to the start of the school year. Your child WILL NOT BE ALLOWED TO ATTEND CLASS until these forms are returned with all information completed.

We require a record of a recent medical examination, immunizations, and parental permission to obtain emergency health and medical care. These forms will be kept on file at the preschool. We ask that you notify us of any changes pertaining to this information so that we may update our records as necessary throughout the school year.

Health Policy:

Children are expected to be free of disease symptoms when brought to school. If a child becomes ill at school, the parent or someone designated by the parent is expected to be available to take the child home. We attempt to serve all children in our care in a manner, which respects individual privacy and at the same time maintains individual and school safety. We are aware of the continuing increase of children who have contracted diseases, which are only transmitted through the exchange, or transfer of body fluids, such as blood.

We recognize that children with such diseases may be enrolled with or without our knowledge. For their safety, we strongly urge that full disclosure of all medical and health problems be made at the time of enrollment. We will, in turn, respect the confidentiality of this information.

For the well-being of all the children, we ask that you keep your child home when he/she becomes or is ill.

Please follow the guidelines below:

Fever: A child with a fever (100 +) should not return to school until there is no sign of fever for the last 72 hours without medication.

Vomiting: A child with episodes of vomiting should not return to school until 72 hours after the last episode.

Diarrhea: A child-experiencing diarrhea should not return to school until 72 hours after the last episode.

Rash: A child suffering from a skin rash should not return to school without a doctor's written note or until the rash has completely cleared up.

URI: A child with an upper respiratory infection should not return to school until there are no signs of labored breathing, persistent cough, and runny nose.

**** A child with any contagious disease or condition, such as strep throat, impetigo, lice, pink eye, etc., shall not be brought to school. A doctor's note will be required for re-admittance with any such illness.

COVID Policies and Procedures:

- **Mask Guidelines:** Universal masking is required at all times when in the building. Children, ages 2 + are also required to wear a mask at all times with the following exceptions. Masks may be removed for snack time and when outdoor social distancing is available. Please label all masks and send a spare.
- **Classroom space/Social Distancing:** Classrooms have been measured and no greater than 16 students will be in a classroom. Students will be spaced out for table play, snack, & centers. Circle time will be spaced to accommodate adequate distance between children. Teachers and students will remain in the same classroom for the entire class time with the exception of gross motor play. Spacing will be marked by dots for lining up to walk in the hall and dismissal.
Communal spaces such as hallways, playground and gym will be utilized by the classes using a schedule and common surfaces will be sprayed/wiped with disinfectant between classes.
- **Personal Items:** Backpacks are allowed and children should bring one daily with a snack, drink, change of clothing and for papers to be sent home. Please keep all toys at home. Outerwear and a snack are the only items a child should bring daily. We ask that you provide a change of clothing the first day in a labeled gallon Ziploc with your child's name in the event of an accident.
- **Daily hygiene:** Students and staff will wash their hands or use hand sanitizer upon entering the school/classroom daily, after restroom use, before and after snack, after & before active play & sensory play, after sneezing or using tissues and any other time their hands get dirty due to painting, coloring, etc. Hand sanitizer will be available at all times to supplement hand washing. Education about handwashing, germs, coughing and sneezing into elbows, refraining from touching your face and others, and caring for everyone's health as well as our own will be emphasized and ongoing as always.
- **Cleaning Protocols:** Classrooms and bathrooms will be cleaned daily or as needed throughout the school day. Tables and common surfaces will be disinfected each morning, during class transitions, before snack, after snack, at the end of class, and as needed throughout the day. Toys and classroom materials will be disinfected after use with a food grade sanitizer daily. Playdough and pencil cases (containing crayons, glue stick, scissors) will be put together for individual use with no sharing. Soft toys (stuffed animals) and cloth toys (dress-ups) will not be used at this time. Sensory bins and tables may be utilized with student hand washing before and after use with no more than 3 children at the sensory bin together. Each classroom is equipped with a HEPA grade air purifier.
- Arrival and dismissal will all be outside in a car line, no parents will enter the building. A staggered start and dismissal time frame will be used for every class. This eliminates adult non-essential visitors and volunteers in the building. Large group gatherings with family's present will be assessed at a future date (Christmas Programs/Graduation/Parties).
- **Student Arrival:** Parents are asked to pre-screen their child prior to coming to school each day using the symptom screening checklist below. If your child exhibits any of the symptoms listed below or answers yes to any of the questions, you must keep your child home from preschool.
- **Daily Health Screen:**
 - In the last two weeks has your child or anyone in your household:
 - been diagnosed with COVID-19
 - had a fever of 100.0 or higher
 - cough
 - difficulty breathing
 - loss of taste or smell
 - headache, chills or muscle aches
 - flu like symptoms
 - sore throat
 - nausea, diarrhea or vomiting
 - Is anyone in your household currently under voluntary or involuntary quarantine or have been within the last two weeks?
 - Temperature Checks
 - Each student/staff member is asked to take their temperature taken prior to entering the building. Anyone with a fever of 100.0 or higher will not be allowed to enter.

- **Confirmed Positive/Exposure to COVID-19:**

1. Any child or staff member needs to be fever free and symptom free without the use of medications for 72 hours OR fever free and symptom free without medications for 24 hours with a doctor's note stating that symptoms are not related to Covid-19, before returning to the preschool.
 2. If a staff member or child has been diagnosed with Covid-19, the child or staff person must remain at home for a minimum of 10 days after symptom onset and 72 hours after his/her fever resolves without fever-reducing medicines.
 3. Any household member with household contacts with Covid-19 must stay home for 14 days after their last household exposure.
- If any child or staff member is exposed to someone who tests positive for COVID-19, they will be required to remain at home for 14 days before returning to preschool or provide proof of a negative COVID-19 test result. A close contact is considered anyone who was within 6 feet of an infected person for a total of 15 minutes or more. An infected person can spread COVID-19 starting from 48 hours/2 days before the person has any symptoms or tests positive
 - If any situation listed above occurs:
 - Contact the preschool immediately
 - The preschool will notify parents, staff, church and local health authorities and will follow their guidance as to facility closing for cleaning and disinfecting.
 - If a student gets sick at school with any symptom of illness, the child will be removed from the classroom and placed with a staff member in a designated room until a parent arrives. The parent will call the preschool office upon arrival and the student will be taken out to the parent. If a staff member feels ill at school they will be sent home immediately.
- A child at home for Covid-19 sickness or quarantined due to an exposure for 14 days will not be refunded tuition but will have access to at home video lessons. If it is determined the school should close for cleaning or it is mandated by the state that schools should close due to a resurgence of COVID-19 in the county/local area, take home packets and/or on-line virtual lessons will be available. If the state closes schools or the preschool advisory board votes to close the school for more than 2 weeks, tuition will be suspended until we are back in session or a partial tuition option may be charged for continuing some activities at home through lesson videos & craft/ task learning packets made for home use and picked up by parents.
