

Robeson Lutheran Preschool

# Summer Newsletter

Dear Parents,

It is hard to believe that this is the last newsletter for the school year. I have really enjoyed getting to know all the children and their families throughout the year! It has been a busy year of growing and learning for all of us. The children fill our hearts everyday with love and joy. We have watched them play, learn, grow, laugh, cry, be curious and all along the way be a lot of fun. Thank you for sharing your little ones with us!

Best wishes to all of our graduates and the very best of luck in Kindergarten next year. You will be missed! We look forward to seeing all of our returning children in the fall, meeting new faces and hearing about their exciting summer adventures. Look for an email from us the beginning of August with class information for next year. Please continue to spread the word to your friends with little ones – we have openings in all classes.

Thank you for your support and friendship this year! Hoping everyone has a wonderful and safe summer!

Mrs. Julia Bond
