School's out for the Summer!

Dear Parents,

Every year seems to go faster and it's difficult to believe that this is the last newsletter for this year. We have really enjoyed getting to know all the children and their families throughout the year! It has been a busy year of growing and learning for all of us. The children fill our hearts everyday with love and make us laugh. We have watched them play, learn, grow, laugh, cry, be curious and all along the way have a lot of fun. Thank you for choosing us to begin your child's education, we are honored and appreciate that you are sharing your little ones with us!

Best wishes to our 2024 graduates who celebrated yesterday! We had a wonderful day & are so very proud of all of you. All the children really did a tremendous job yesterday! Look out kindergarten, here you come & we know that you will love it and do well! We look forward to seeing all of our returning children in the fall, meeting new faces and hearing about all the exciting summer adventures. Look for an email from us in August with class information for next year. Orientations will be held on September 3rd, 4th & 5th in the morning and classes will begin the week of September 9th.

Please continue to spread the word to your family & friends with little ones – we do have a few class openings.

Thank you for your support and friendship this year! The staff appreciation luncheon & gift was such a generous and thoughtful surprise this year – THANK YOU! We can't do this without your help & us working together as a team makes it a success for the children. We wish everyone a wonderful summer and we are really looking forward to having fun at summer camp in June!

Registration for 2024-2025 School Year

If you know of anyone looking for a preschool for the fall, please tell them to contact us. Our families are our BEST source of advertising & we appreciate you telling others about us! Check out the preschool Face Book page and share our posts. We have a few openings in some classes & several toddler openings! Tours are available during the summer, so please tell anyone interested to contact the office.

Thank you Ms. Bella!

Bella joined us in January as an intern from Twin Valley and helped in the classrooms. The children love her and cheer when she walks into the classroom every morning, so you may have heard about her from your child☺. Bella has done a really great job during her time with us and we were lucky to have her. It has been a great experience for her, the children and us!

Have a great summer Bella and we hope to see you again next year! Thank you!!

We have the BEST Families!

Thank you so very much for the appreciation luncheon and gift in May!! It was a big surprise and everyone was overwhelmed with your generosity. Thank you for all your support this school year! Working together we can teach the children to love school and to be good friends to each other, which will lead to success in elementary school!

THANK YOU for all that you do as parents to help raise thoughtful, kind and caring children! You are our best source of advertising, help our school to continue to grow and be a fun place to learn! Our school is wonderful thanks to the teachers & parents working together!

Summer Camp is coming in June!

We are excited to have summer camp the first two weeks in June: June 3-6th and June 10-13th! Look for an email next week with your arrival time (9:00 or 9:15) and details of what to bring for camp! Camp is always a lot of fun!

Event Committee

Thank you to all the parents who helped to make this year's events the best ever!! It takes many volunteers to plan and execute these fun community events and fundraisers. A big shout out to Valentina DeNisco, who was the committee chair this year!

We would love to have more parents join us next year at our first meeting on September 16th at 9:30 to begin planning for the new school year events. All help is appreciated & children are always welcome at the meetings too, so please mark your calendar!
