

# Robeson Lutheran Preschool

Goodbye February....Hello March!

The groundhog said that spring was still 6 weeks away and he was correct. We have had a cold, snowy start to 2026 and are definitely ready for some warmer weather and sunshine. It was a busy February and the month just flew by. Every class talked about snow, friendship, hibernating animals and so much more.

We ended February with a visit from Ms. Dawn at Indian Run Environmental Education Center. All the classes were able to attend her Animal Detective program and the children loved seeing the animals. Most of the children were brave enough to touch the snake and they all enjoyed seeing the owl, tarantula and turtle. Ms. Beth Gratson, our favorite pediatric dentist, stopped by to talk about dental health to our 4's, 3's and Toddlers on a Friday, which is always a lot of laughs. We had lots of fun celebrating Valentine's Day in the classrooms and sharing treats with our friends. A very big Thank you to all the parents who took time to meet with the teachers in February for conferences! It is always so nice to spend time together and talk about all the wonderful things the children are doing.

We are really looking forward to spring, playground time and Easter! March will be packed with Dr. Seuss craziness, leprechauns, 100<sup>th</sup> day of school for Pre-K/K-4, Dad's Day, Easter Egg Hunts, Parties and more. Wow, March is going to be another busy month.

## **We have the BEST Families!**

Thank you for your support! Working together we can teach the children to love school and to be good friends to each other, which will lead to success in elementary school!

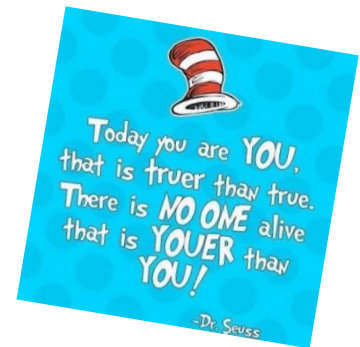

**THANK YOU** for all that you do as parents to help our school grow, support our staff, events and continue to be a fun place to learn! Our school is wonderful thanks to the teachers, parents and grandparents working together!

## **Happy Birthday Dr. Seuss - National Reading Month!**

Every year we look forward to celebrating Dr. Seuss' birthday. There are so many wonderful books to read, crafts to make and games to play that we take an entire week to celebrate. This year we had a pet show, made & wore crazy hats, learned lots of rhyming words, painted red & blue fish, and SO much more. It's a great time to be silly and reinforce how important reading at a young age or any age truly is. March is National Reading Month, pick up a book and read with your children or enjoy a quiet moment to yourself to relax with a good book. Here are some great bedtime book suggestions for the preschool level:

*Good Night Gorilla* by Peggy Rathmann  
*The Napping House* by Audrey Wood  
*Who Will Tuck Me in Tonight* by Carol Roth  
*There's a Barnyard in My Bedroom* by David Suzuki  
*The Sleep Book* by Dr. Seuss  
*There's a Monster Under My Bed* by James Howe

## **Playground Here We Come, We Hope Soon!**

As the weather warms up we will begin to take the children outside as soon and as often as we can. Please remember that sandals, flip flops and crocs make it difficult for your child to run and participate in some activities. Continue to dress your child for the weather – jackets, hats, etc. **Please** label everything that comes to the preschool with your child.

## **Ice Cream Social May 15th**

We hope to see everyone at our **Ice Cream Social** on May 15<sup>th</sup> from 6:00 – 8:00. This is always our big event of the school year and a fun way to end the year. If you would like to help us organize the largest fundraiser/event for the preschool, please plan to attend the next event committee meeting or contact your classroom parent to donate an item to the class raffle basket. We would appreciate any help!
